

# It's hard to believe...

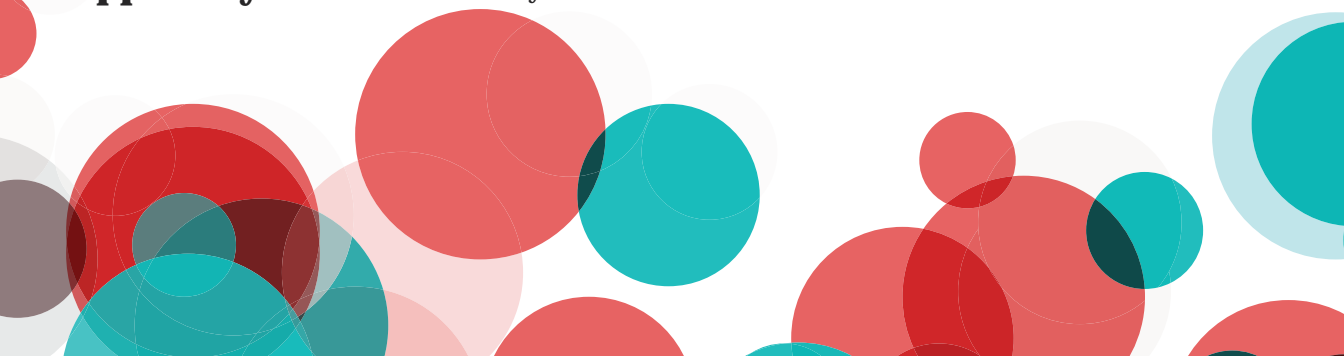

...that a mother would sell her 10-year-old daughter for \$300. That little girl will most likely become a sex slave, kept naked in a locked room so she won't escape and raped by men 10 to 15 times a day...for the rest of her life.

...that in some countries a man can legally set his wife on fire because he wants a new wife.

...that a child soldier in the Congo is trained to believe he can rape any woman he chooses.

It's hard to believe... but it's TRUE for women & girls across the globe.

**Appalled yet?** What if we told you the answer for these women was **EDUCATION**?
